In sight of Liberty, a call is made into the void of existence!

Civitas Res Infra Nos Est!

Declaration that only Constituencies are in exclusive, irrevocable, untransacted possession of the monopoly on all violence, and any legitimate State must exist as subjugated to the Constituency entitled by its generation without exception, in perpetuity, and under penalty of that violence.

Fuerit Anarchia Interregnalis!

Declaration that there has been no legitimate State of any kind on the North American Continent since July 14th 1798, and all Persons on the continent currently exist in anarchy.

Bellum Omnium Contra Civitas!

Declaration that a state of Open and Unrestricted War exists between all Persons and any State, legitimate or otherwise, with the singular goal of complete and total subjugation of all States to their respectively entitled Constituencies.

Libertas Es Vox Anthropos!

Declaration that the cause of Liberty is universal, such that all Persons are entitled.
